72ND ANNUAL STATE CONFERENCE

Official Guide

October 9–11, 2025

Myrtle Beach Convention Center | South Carolina

Designed by SEA Level Social

Hello members of SNA of South Carolina!

I am Todd A. Bedenbaugh, your new Executive Director for the School Nutrition Association of South Carolina. I am excited to be serving you in this role and look forward to working together with all of you!

I appreciate all the challenging work that all of you do to make great nutritious meals for the students in South Carolina! In my 28 years of experience in Child Nutrition, I have learned firsthand that hungry children cannot learn in the classroom. Your role is extremely important in the education process!

Audra Terry, our conference planner this year, has done an outstanding job organizing the event. I appreciate the support that our President of SNA of SC, Amy Stabler has given me and Audra to make this a wonderful Conference. We have great Board members, and we are going to do wonderful things in future years together!
I hope that all of you take time to stop by all the booths and tell our industry partners thanks for being here to support SNA of SC. I hope you will find new products and services while you are at the Conference.

Enjoy the conference and safe travels on your return trip home! Thanks for allowing me to serve as your Executive Director of SNA of South Carolina!

Todd A. Bedenbaugh

SNA of SC Executive Director

Welcome to the 72nd Annual School Nutrition Association of South Carolina Conference and Expo in beautiful Myrtle Beach!

I am truly honored and thrilled to serve as the **2025-2026 President of SNA of South Carolina**. It's a privilege to lead an organization so deeply committed to supporting the students of South Carolina. The conference committee responsible for putting this event together have outdone themselves. As president of our organization, I extend my sincerest gratitude to **Audra Terry, Conference Chair and Todd Bedenbaugh, Executive Director**, for investing their energy and creativity to provide a top-notch event for us to enjoy.

Thank you to our amazing Industry Partners for all your hard work and support. Whether you're here to learn, connect, or lead, I encourage you to make the most of everything this conference—and this year—has to offer.

As we embark on this exciting year together, I invite you to join me in advancing our mission: to educate and inspire students about the importance of good nutrition, to advocate for strong, sustainable child nutrition programs, and to foster a supportive, enriching environment for all of our members. Please don't hesitate to reach out to me or any of our board members with questions, ideas, or suggestions. We are here to support you and ensure that your experience with SNA of SC is both rewarding and enjoyable.

Thank you for being part of this impactful community. Together, we can make a meaningful difference in our schools and communities.

Amy Stabler

2025-2026 President, SNA of SC
Greenwood School Districts 50 and 52

On behalf of the entire planning committee, I am delighted to welcome you to the School Nutrition Association of South Carolina Annual Conference and Expo! We are excited to have you join us in Myrtle Beach.

This year's theme, "**Reimagine: Bridging the Past to Tomorrow**," encourages us all to reflect on past approaches to school lunches and acknowledge their positive aspects, retain effective practices while gathering the necessary tools for future progress, and reimagine the school lunches of tomorrow with innovative ideas. Please don't miss the opportunity over the next few days to participate, network, explore & REIMAGINE!

Be sure to check the agenda and plan your sessions ahead of time. If you have any questions or require assistance, feel free to reach out to our team at the registration desk. Whether this is your first time attending or you are a returning participant, we are truly honored to have you join us. Your presence and involvement make this event exceptional.

Enjoy the conference, explore Myrtle Beach, and let's reimagine the future of school nutrition together. Here's to a successful and inspiring event!

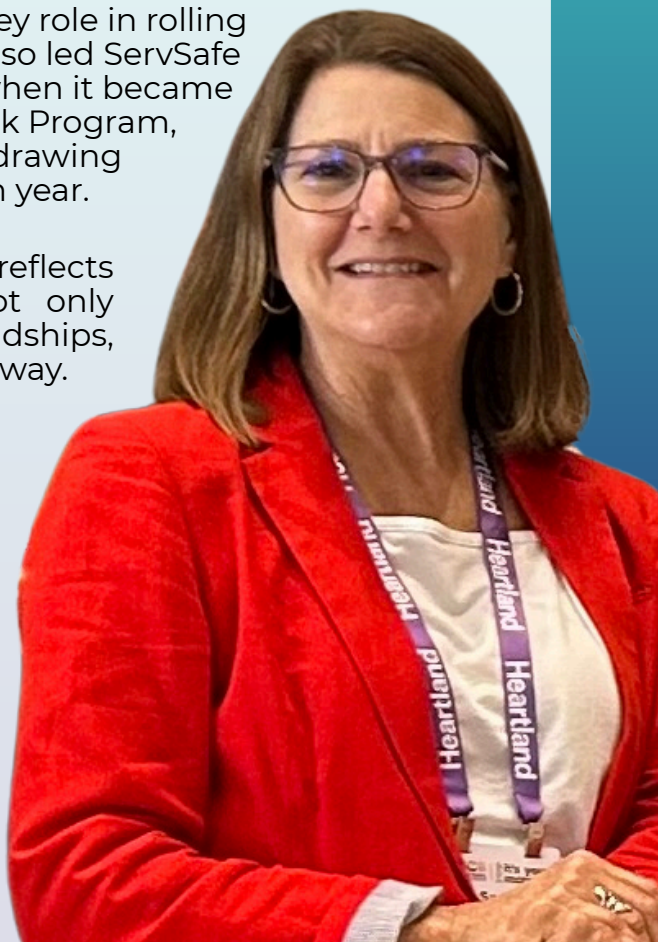
Sarah Bates

Sarah Bates, the fourth daughter of Charles and Juliana Weeks, grew up in Greenville, South Carolina, before graduating high school in Atlanta, Georgia. She went on to earn her Bachelor of Arts in Speech and Theatre from Newberry College. After two successful decades in hospitality management in Charleston, Sarah shifted her career in 2001 to a field that quickly became her passion—school nutrition. She joined Charleston County School District's Nutrition Services, then known as the School Food Service Association (now SNA).

At her interview, she was asked what one change she would make in school food service. Her response—"Feed every child for free"—has guided her work ever since. Thanks to CEP, that vision is partly a reality, with 68 of 81 district schools now offering free meals to all students. Sarah moved into leadership as a Supervisor, overseeing up to 24 schools, and later became active in SNA. She served on the South Carolina SNA Board beginning in 2007 and as State President in 2009, attending national leadership and legislative conferences that deepened her understanding of the vital role school nutrition plays in student success.

Throughout her career, Sarah has helped launch and expand programs that continue to benefit students and families. She brought the Summer Meals Program to Charleston, managed the Fresh Fruit and Vegetable Program across 25 schools, and played a key role in rolling out the CACFP Supper Meals Program in 2013. She also led ServSafe certification training for more than 100 employees when it became mandatory, oversees the district's Mid-Morning Snack Program, and coordinates professional development for staff, drawing inspiration from state and national conferences each year.



Now in her 24th year with Charleston County, Sarah reflects that her most meaningful achievements are not only programs and policies, but the mentorships, friendships, and shared commitment to students built along the way.

Outside of her career, Sarah and her husband Dennis are active members of St. Matthew's Lutheran Church in Charleston, where she serves as Chair of the Altar Guild. She takes immense pride in her family—her four children and their partners, Kyle and Andrea, Jeffre and Tommy, John and Hannah, and Amanda and Jared—and her greatest joys: her four granddaughters, Eva, Georgie, Lilly, and Nora.
